## **Tips on Applying for McDonald's**

**Accurate information-** Make sure all your contact details are correct and a valid email is provided.

**Store choices-** You can apply at up to 10 stores with the one application. Make sure you list all the stores in your area to get your application seen by more restaurants.

**Availability-** McDonald's have a range of shifts you can work. List all your availabilities on each day including the time you can potentially start and finish all shifts. Put all of the days down that you are available to work - this doesn't mean you'll get rostered every day but gives the store more options to roster you - it's all about flexibility!

**Your right to work in Australia-** It is a legal requirement that all employees have the right to work in Australia. If you are selected for an interview, you will need to demonstrate your right to work in Australia by providing an original of one of the following documents – don't forget to bring it to the interview!

- Australian Passport
- Australia Birth Certificate
- Australian Certificate of Citizenship with Photo ID
- Foreign Passport with Permanent Residency Visa/Visa work conditions
