WDEA Works Training Certificate III in Early Childhood Education and Care (CHC30113) covers the fundamentals of early childhood education and care. It provides expert, practical instruction and valuable, workplace-based learning opportunities and experiences. On-the-job placement is a hallmark of our training, providing students with a real and rewarding perspective on the industry and how to apply learning in a workplace environment.

WDEA Works' Industry-based model provides students with the skills and confidence that employers value and recognise.

It is a qualification relevant to anyone looking to professionally care and educate children. Relevant workplaces would include kindergarten, long day-care, outside school hours care, family day care and Nannying. It provides the means to learn about supporting play-based learning, basic developmental needs of children, and providing a safe and healthy environment.

*\* Subject to number of enrolments.*

## Course Objectives:

The Cert III in Early Childhood Education and Care (CHC30113) qualification reflects the role of Educators in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.

## WDEA Works Training provides affordable, practical, industry-based training and education that is:

- Valued by employers
- A proven pathway to employment
- Workplace-based
- Well-supported by qualified professionals, with extensive industry experience

*A Working with Children check is a mandatory requirement prior to commencement. During placement, some centres may also require a Police Check.*

## Nationally recognised training

**wdea**works
