WDEA Works Training Diploma of Early Childhood Education and Care (CHC50113) is a qualification for those interested in working in the Early Childhood Industry, or those looking to upskill their existing role in the early childhood sector.

Educators are responsible for planning, implementing and managing educational programs to enhance children's learning and development. You will also gain the skills to provide a safe and healthy environment to foster the holistic wellbeing of children. At this level, educators are also responsible for the supervision of other employees and volunteers.

The Early Childhood Education and Care field is demanding, growing and rewarding. It is best suited to people with qualities such as patience, empathy, cheerfulness, energy, adaptability and willingness to take responsibility.

This course reflects the role of Early Childhood Educators who are responsible for designing and implementing curriculum in Early Childhood Education and Care services, within the approved learning framework requirements of the Education and Care Services, National Regulations and the National Quality Standards.

*\* Subject to number of enrolments.*
