Community Services

Certificate IV in Community Services

(CHC42015)

Free TAFE* | Semester 2, July commencement

You'll become confident working with diverse groups, while increasing your skills in providing innovative, person centred processes in individual supports.

Diploma of Community Services (CHC52015)

Free TAFE* | Semester 2, July commencement

Gain the industry-recognised qualification to work in a wide range of community service sectors, particularly social welfare in government departments, not-for-profit or community-based organisations and for private employers.

Certificate IV in Mental Health (CHC43315)

Free TAFE* | Tues & Thurs – 12 months

Semester 2, July commencement

This course will provide you with the specialised knowledge and skills to launch or advance your career as a trained professional helping people affected by mental illness and psychiatric disability.

Certificate IV in Alcohol and Other Drugs

(CHC43215)

Free TAFE* | Semester 2 July commencement

You'll learn how to manage cases, help clients with complex needs and provide intervention strategies. Your work may focus on engaging people with alcohol and other drug issues in the community, helping people at times of relapse or promoting recovery through residential, clinical or home-based programs.

Course in Introduction to the National Disability Insurance Scheme (22469VIC)

Free TAFE* | (8 weeks) Short Course | Virtual online delivery | Semester 2 July commencement

Take your first step towards an NDIS career by learning skills including understanding and supporting an NDIS participant. It is ideal for workers currently employed in mental health, aged care, disability services, and potential students considering a career in these areas.

Rural Sciences

Diploma of Horticulture (AHC50416)

Semester 2, July commencement

You will develop your practical knowledge of landscape design, plant classification and plant problem diagnosis, as well as learn leadership and management skills including production and restoration planning, preparation of estimates and quotes and providing leadership.

Certificate III in Horticulture (AHC30716)

Free TAFE* | Semester 2, July commencement

Do you love having the sun on your back and getting your hands dirty? Let us help you to forge a career in horticulture - one of Australia's fastest growing industries.

Certificate II in Agriculture (AHC20116)

Free TAFE* | Semester 2, July commencement

You will learn in our specialised Rural Sciences Skills Centre, which is full of modern equipment and facilities just as you would expect to find at an innovative agricultural enterprise, as you discover how to apply chemicals, care for livestock, operate quad bikes and more.

Certificate IV in Agriculture (AHC40116)

Free TAFE* | Semester 2, July commencement

Consider this course your training ground to become a specialist and a leader in your chosen stream within the diverse agricultural industry – or indeed to manage your own agribusiness.

Certificate III in Conservation and Land Management (AHC31416)

Semester 2, July commencement

Gain the skills to create a career protecting our environment. This is the perfect way to learn about all areas of conservation and land management.

Diploma of Conservation and Land Management (AHC51116)

Semester 2, July commencement

Protect endangered species. Advise on bushfire prevention programs. Manage waterway redevelopment projects. Take your love for the environment and make it your career. With this diploma, you'll perfect your skills across science and management.

Business, IT, Cyber & Accounting

Certificate IV in Cyber Security (22334VIC)

Free TAFE* | October commencement

Through your studies, you will develop your knowledge and technical expertise as you learn how to protect organisations against computer and network malconduct.

Certificate IV in Accounting and Bookkeeping (FNS40217)

Semester 2, July commencement

Use your love of numbers to help businesses to thrive.

Diploma of Information Technology (ICT50220)

Semester 2, July commencement

Learn fundamental skills in a range of areas including web design and multimedia, networking, core programming, databases, and software testing.

Hairdressing & Beauty

Certificate II in Salon Assistant (SHB20216)

Free TAFE* | Semester 2, August commencement

If you love to make people look great and to feel good about themselves, take your first step into a career in hairdressing.

Certificate III in Beauty Services (SHB30115)

Semester 2, July commencement (Night Course)

Take the first step in your career in the beauty industry, where your love of make-up and making people look great can take you wherever you want to go.

Health

Certificate III in Individual Support (CHC33015)

Free TAFE* | Semester 2, July/August commencement

Your caring nature and love of working with people will give you the opportunity to start a career where you can make a real difference in your community.

Automotive

Certificate II in Automotive Servicing Technology (AUR20516)

Free TAFE* | Semester 2 July/August commencement

Boost your automotive skills with our practical program.

Building & Construction

Certificate II in Electrotechnology (Career Start) (UEE22011)

Free TAFE* | Semester 2 July commencement

This program will give you the foundation skills to kick-start an electrical career, showing employers that you're driven and knowledgeable.

Certificate II in Building and Construction Pre-apprenticeship Bricklaying (22338VIC)

Free TAFE* | Semester 2 July/August commencement

Our hands-on program is the perfect start for your career as a bricklayer. We'll show you how to use hand skills and power tools on residential and commercial building sites, while you learn important workplace skills to make you more confident and comfortable, like site induction, preparing for work in the construction industry and communication skills to help you work well in a team.

Certificate II in Building Construction Pre-apprenticeship Carpentry (22338VIC)

Free TAFE* | Semester 2, August commencement

We'll set you up to become skilled and knowledgeable at carpentry and ready to take the next step in your training and work life. We'll also give you advice about succeeding at your apprenticeship, so you can jump straight into it after this certificate.

Certificate II in Furniture Making (MSF20313)

Free TAFE* | Semester 2, August commencement

If you want to become a master furniture maker and take a step closer to securing an apprenticeship, this certificate is designed for you.

Engineering

Certificate II in Engineering Studies (22470VIC)

Free TAFE* | Semester 2, July/August commencement

This course will give you broad-based foundation skills, and is designed to enhance your job prospects by making you more competitive when applying for an apprenticeship.
