Your future in teaching

Get a world-class education

Deakin is ranked among the top five universities in Australia for its education courses, based on the 2020 QS World University Rankings by Subject, which are informed by academic and employer reputation, as well as research impact.

Graduate work ready

We maintain close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You'll be taught by staff members with industry experience, recognised as leaders and innovators in their fields – so you can be confident that what you learn at Deakin will be relevant to your teaching career.

Gain hands-on, practical learning

Every Deakin teaching student's course experience is enriched by the Professional Experience Program. Working with more than 1400 schools and early childhood settings across Australia, a dedicated team will help you find the right placements based on your interests, skills, residential location and mode of transport.

We'll arrange at least 60 days of placements for you in schools or early childhood settings where you'll learn from experienced teachers. On campus, you'll have access to specialised teaching spaces to further prepare you for the classroom, including the Nyaal interactive learning precinct at the Geelong Waurin Ponds Campus where you can experience different classroom environments virtually in a 360-degree theatre.

Deakin also participates in the Victorian State Government supported teaching academies and alliances program. Our alliance partners offer pre-service teachers with placement opportunities in local schools – with some placements exclusive to Deakin students.

Deakin's Professional Experience Program is a key part of your course, ensuring you have the practical skills needed from day one of your teaching career.

Your future in teaching

Intercultural teaching experience

Gain an international perspective on teaching by undertaking your professional experience overseas through our Global Education Program, a teaching practicum that develops a range of teaching and learning approaches. You could pursue opportunities in Vietnam and Switzerland.¹

You can also broaden your understanding of intercultural education here in Australia. We have a strong commitment to Indigenous teacher education and run a Global Education Program in Australia's Northern Territory.¹

Be rewarded for your hard work

A Deakin scholarship is more than just a financial boost. It is our chance to acknowledge your accomplishments and reward your hard work, setting you on the path to success at university.

Our extensive scholarship program includes three key scholarships:

- Vice-Chancellor's Academic Excellence Scholarship
- Deakin Scholarship for Excellence
- Deakin Student Support Scholarship.

We also offer a range of donor and government-funded scholarships. Each is unique with differing criteria, rewarding aspiring students from diverse backgrounds.

deakin.edu.au/scholarships

¹ Please note that destinations may change and the program may be paused due to circumstances beyond our control.

#1 Victorian university for student satisfaction

Year on year, our students are the most satisfied students of all Victorian universities¹. We've ranked this highly for the past 10 years, with students being particularly happy with our:

- teaching
- learning resources
- student support
- skills development
- learner engagement.

¹ Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2019 (GOS), Quality Indicators for Learning and Teaching (QILT).

Learning at Deakin through COVID-19 and beyond

As a leader in digital learning, we know our students value Deakin's connected and engaging online study environment and we also understand that many students value attending campus. At Deakin, you can be confident of not just a COVIDSafe environment, but a tailored, collaborative learning experience for each course, designed to achieve the best possible combination of online and on-campus activities whilst adhering to government regulations.

Dynamically delivered, world-class learning – it's what Deakin does best. Find out more at deakin.edu.au/learning-at-deakin-through-covid-19.

'Deakin pre-service teachers are supported in all aspects of professional experience to ensure they have the best opportunity to develop as teachers. Visits to students during placements provide strong mentorship and support. We're extremely fortunate that our partnership schools provide rich experiences and embrace our pre-service teachers into their teaching and learning communities.'

Professor Dianne Toe
Deputy Head of School/Director of Professional Practice

'I was able to put the skills I had learnt here in Geelong into use at a small inner-city school overseas. I found myself broadening my teaching from merely a classroom setting to an overarching role of carer and role model.'

Mitchell Norton
Bachelor of Education (Primary) graduate

What is the CASPer test?

If you're applying to one of the following Deakin courses, you'll need to sit a CASPer test to demonstrate your suitability for a teaching career¹:

- Bachelor of Early Childhood and Primary Education
- Bachelor of Education (Primary)
- Bachelor of Health and Physical Education
- Master of Applied Learning and Teaching (Secondary)
- Master of Teaching (all specialisations).

Students in the Bachelor of Arts/Master of Teaching (Secondary) and Bachelor of Science/Master of Teaching (Secondary) will also need to complete the CASPer test before commencing school experience in Trimester 3 of Year 3.

CASPer (Computer-based Assessment for Sampling Personal Characteristics) is an online, video scenario-based situational judgement test, assessing a number of non-academic attributes including communication, ethics, empathy, motivation and professionalism.

¹ Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/casper.

All institutions offering initial teacher education courses need to select their students based on academic and non-academic criteria – so you'll need to sit a CASPer test to be eligible for selection, no matter where you choose to study.

The good news is that there are no right or wrong answers to the questions; the best advice we can give is to just be yourself. The 90-minute test assesses your personal characteristics by understanding how you respond to scenarios you're presented with. You don't need to prepare for the test but take a look at examples online so you can familiarise yourself with the types of questions asked.

For more information, dates and sample test content, visit deakin.edu.au/casper.

Bachelor of Early Childhood Education

E333 C¹ NP B² 60.55 NIK³ 3 T1

If you are inspired to teach young children, Deakin's Bachelor of Early Childhood Education provides you with the opportunity to explore early childhood education curriculum theories and pedagogies, child development, health and wellbeing, professional studies as well as teaching and learning in discipline areas of literacy, mathematics, science and the arts.

Careers

There is an increasing demand for qualified early childhood teachers, with the workforce set to double in the next 10 years. Graduates are qualified to work in early childhood settings as early childhood teachers, educational leaders, coordinators or advisers. Graduates may also find employment opportunities in:

- policy
- consultancy
- NGOs
- research or community-based organisations.

Professional recognition

This program is undergoing approval by the Australian Children's Education and Care Quality Authority (ACECQA) as an early childhood teaching qualification in Australia. Graduates of this course who are intending to apply for registration in Victoria or interstate may be required to provide further information. Applicants are advised to check the registration requirements in their state or territory, carefully.

Professional experience⁴

You'll undertake 80 days of professional placements through Deakin's Professional Experience Program, gaining both practical knowledge and skills to teach children aged birth to five years. Experiencing learning across a range of early childhood settings will ensure you graduate with the confidence and aptitude to meet the significant growth of the Australian early childhood education sector. The School of Education Professional Experience Office makes all arrangements for students' placements.

Course structure^{5,6}

This 24-credit-point course consists of 24 core units and 80 days of supervised professional experience.

	Trimester 1	Trimester 2
Year 1	Child Development 1 Curriculum 1: Pedagogies and Play Creative Arts 1: Young Children and the Arts Contemporary Perspectives of Education	Curriculum 2: Planning and Assessment for Teaching and Learning Professional Knowledge (0–2 years) Partnerships with Families and Communities Promoting Health, Wellbeing and Nutrition

NIKERI Institute

The National Indigenous Knowledges, Education, Research and Innovation (NIKERI) Institute provides flexibly structured Deakin courses to Indigenous Australian students. Our fully accredited Bachelor of Education (Primary), Bachelor of Early Childhood Education and Bachelor of Childhood and Primary Education courses are offered through Community Based Delivery – a mix of on-campus intensives and online learning at home. This means students can access higher education while maintaining their work, community and family commitments.

Indigenous Studies

All Deakin students can enrol in Indigenous Studies units through the NIKERI Institute. These units give you a comprehensive and engaging exploration of the history, culture and identity of Australia's First Nations People.

Taken as an elective in any course, these units promote diversity and cultural understanding and help to build a well-rounded degree. They're also valued for their transferable knowledge and the way they build vital communications skills.

deakin.edu.au/nikeri

Bachelor of Early Childhood and Primary Education

E334 C¹ NP B² 70.25 4 T1

If you're passionate about children's education, Deakin's Bachelor of Early Childhood and Primary Education opens the door to a range of inspiring career opportunities. Spanning the early childhood and primary education sectors, our dual-accredited degree focuses on contemporary issues in children's learning and development, curriculum theories and pedagogies, discipline knowledge and the changing work context within early childhood and primary education.

Careers

In both early childhood and primary school education settings there is a strong demand for qualified teachers and graduate starting salaries for teachers are high compared to the graduate average. As a graduate of this course you may find employment as a teacher within the private or public education sectors, or in a range of other education related fields including:

- policy
- consultancy
- NGOs
- research or community-based organisations.

Professional recognition

This course is undergoing accreditation by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian Institute of Teaching and School Leadership (AITSL) program standards and the Australian professional standards for graduate teachers. This program will also undergo approval by the Australian Children's Education and Care Quality Authority (ACECQA) as an early childhood teaching qualification in Australia. Graduates of this course who are intending to apply for registration in Victoria or interstate may be required to provide further information. Applicants are advised to check the registration requirements in their state or territory, carefully.

Professional experience⁴

You'll undertake 115 days of professional placements through Deakin's Professional Experience Program in early childhood education and care settings, and primary schools where you'll learn from experienced teachers. Through this program you'll not only gain key practical knowledge and skills, but invaluable insight into the classroom environment.

Course structure^{5,6,7,8}

This 32-credit-point course consists of 30 credit points of core units and two credit points of Primary Teaching Specialisation in either: science, literacy, mathematics or languages.

	Trimester 1	Trimester 2

deakin.edu.au/course/bachelor-early-childhood-and-primary-education

1 Cloud (online) students are required to attend compulsory intensives.

2 International students can only enrol at the Melbourne Burwood Campus.

3 This course is also available at the National Indigenous Knowledges, Education, Research and Innovation (NIKERI) Institute. Find out more at deakin.edu.au/nikeri.

4 Successful applicants are required to hold a valid Working with Children Check (WWCC) prior to undertaking professional experience placements in education settings, as part of this course.

5 This course structure should be used as a guide only and advice should be sought when selecting units.

6 Academic Integrity (AAI018) is a compulsory 0-credit-point unit that you must undertake as part of this course.

7 Students are also required to complete two zero (0) credit point units ELN010 and ELN011 as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) in order to graduate from their course.

8 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/casper.

NP means not published – less than five offers made to recent secondary education applicants.

Pathways

Are you unsure whether to choose between Deakin's early childhood or early childhood and primary degree, or concerned you won't meet the requirements for the dual degree? Deakin's two early childhood degrees have been structured in a way that allows students to seamlessly transfer between the two courses¹ to get the most out of their career.

- 1 Subject to meeting WAM requirements and successful completion of the CASPer test.

Courses

Bachelor of Education (Primary)

E359 B 70.20 WP 70.20 WB 73.15 NIK¹ 4 T1

Build a solid foundation in primary curriculum and discover what it takes to teach and lead young people. Deakin's accredited Bachelor of Education (Primary) equips you with the essential knowledge and skills required to guide children through their primary learning years. From mathematics to science, the arts to literacy, you'll learn how to teach across a wide range of subjects and specialisations. Through our Professional Experience Program, you'll be able to put into practice what you've been learning at university.

Primary subject specialisation

Develop advanced skills and gain an edge for employment in a key area of the primary school curriculum. The following primary specialisations will be offered, subject to demand and availability:

- language and literacy
- languages
- mathematics and numeracy
- science.

International Baccalaureate Primary Years Programme

You can select the International Baccalaureate Primary Years Programme (IBPYP) option and complete your third-year placements in IBPYP schools, differentiating yourself from other graduates.

This course is the only undergraduate teacher education program in Victoria to be accredited with the International Baccalaureate Organisation and to offer a recognised pathway for teaching in the IBPYP.

Careers

Studying a Bachelor of Education (Primary) will equip you with the skills and knowledge for a successful career in education. Upon graduation you'll be ready to teach in primary schools within the private, independent, IBPYP schools or public education sectors.

Graduates may also find work in other fields including community services, government agencies and not-for-profit organisations.

Professional recognition

Deakin's Bachelor of Education (Primary) is accredited with the Victorian Institute of Teaching (VIT) as a nationally accredited course and students are eligible to apply for registration with the VIT upon graduation. If you intend to apply for registration in Victoria or interstate you may be required to provide further information. Applicants are advised to check the registration requirements in their state or territory, carefully.

Professional experience²

This course includes 80 days of supervised professional experience placements in schools, where you'll learn from experienced teachers. As a result, you'll graduate qualified to teach from prep to Year 6, with the confidence and ability to demonstrate classroom readiness and make a difference to students' learning. You might also have the opportunity to undertake a professional experience placement in international or remote Northern Territory settings through our Global Education Program.

Pathways to primary education

There are many different ways you can get into an undergraduate course at Deakin. In fact, many students choose to take a pathway. If you are interested in teaching but unsure whether you'll meet the entry requirements for a bachelor degree, look no further than Deakin's Associate Degree of Education. We've designed this course to offer students a supported learning environment and a pathway into Deakin's Bachelor of Education (Primary).

Associate Degree of Education⁶

E200 B WP WB 2 T1

Begin your journey to becoming a teacher by studying an Associate Degree of Education at Deakin. You'll complete core units from the Bachelor of Education (Primary) and develop the foundational skills required to succeed at university.

Whether you're looking to forge a path in education, have never studied at university – or you're not sure if you meet the entry requirements, this degree will introduce you to what it's like to study at Deakin and to set you on the pathway to becoming a teacher.

Careers

Graduates of the Associate Degree of Education have guaranteed entry into our Bachelor of Education (Primary) and credit towards their first year of study⁷ provided they successfully complete the CASPer test.

An associate degree equips you with the skills to succeed at both university and in your future career. Graduates find employment opportunities in a range of fields, including:

- education
- government departments
- health sector
- media
- private academies/agencies
- public service.

Course structure^{3,4}

	Trimester 1	Trimester 2

deakin.edu.au/course/bachelor-arts-master-teaching-secondary

- The fast-tracked postgraduate level of study means that graduates are ready to teach after just four years of study. Students are required to complete units in Trimester 3 of the third year of study.
- Cloud (online) learning is not available to international students.
- Not all majors and secondary teaching specialist areas are available via Cloud (online) learning.
- Successful applicants are required to hold a valid Working with Children Check (WWCC) prior to undertaking professional experience placements in education settings as part of this course.
- Minor only.
- This course structure should be used as a guide only and advice should be sought when selecting units. Students should consult the current handbook to access a comprehensive list of course rules.
- Academic Integrity (AAI018) is a compulsory 0-credit-point unit that you must undertake as part of this course.
- Students are also required to complete two 0-credit-point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
- Students must successfully complete the CASPer test, a non-academic assessment, before being able to progress to the Master of Teaching component of the degree. Find out more at deakin.edu.au/casper.

Are you thinking of changing your career to teaching? Teaching is an extremely rewarding career that will see you inspire young people and work with them creatively.

Master of Applied Learning and Teaching (Secondary)^{1,2}

E737 C³ 1.5⁴ T1, T2

The Master of Applied Learning and Teaching (Secondary) is a secondary teacher qualification which qualifies you to work in secondary schools and other youth settings such as the Victorian Certificate of Applied Learning (VCAL). The course uses a problem-based approach that is closely aligned with authentic school improvement initiatives, and links theory and practice through work-integrated learning partnerships. The course focuses on the middle years and upper years of secondary schooling and has a strong emphasis on experiential and applied learning pedagogies which enhance student engagement.

Professional recognition

This initial teacher program is approved by the Victorian Institute of Teaching (VIT) against the National Graduate Teacher standards for the purposes of teacher registration in Victoria. If you intend to apply for registration in Victoria or interstate you may be required to provide further information. Applicants are advised to check the registration requirements in their state or territory, carefully.

Professional experience⁵

Develop your skills and grow your teaching confidence with supported practical experience in schools. You will undertake 75 days of professional experience (including a 15-day alternative placement) and have ongoing communication with Deakin staff to ensure you feel supported and have the best opportunity to develop as a teacher.

The School of Education Professional Experience Office makes all arrangements for students' placements. The number of professional experience days align with requirements of external regulatory authorities (VIT).

Careers

This course prepares graduate teachers with the advanced professional knowledge, skills and attributes required of educators working in high schools and other youth learning contexts where applied and vocational learning are being implemented.

Course structure

16 credit points – 12 credit points of 11 core units, 4 credit points of one of the following two configurations: Research Project or Research Paper. Students must also complete Academic Integrity which is a 0-credit-point compulsory unit.

Alternate exits

Graduate Certificate of Applied Learning and Teaching (E537).

'Deakin allows students to study either full time or part time, as well as either on campus or online. Thus enabling students to balance work and study commitments to their liking. This was very helpful for myself as I could not afford to study full time without working part time during the week.'

Ben Parsons

Master of Applied Learning and Teaching¹ graduate

¹ Course now titled Master of Applied Learning and Teaching (Secondary).

Master of Teaching (Early Childhood) E761 C⁶ B² T1

Master of Teaching (Primary and Early Childhood)² E764 C⁶ B² T1

Master of Teaching (Primary)² E762 C⁶ B² T1

Master of Teaching (Primary and Secondary)² E765 C⁶ B² T1

Master of Teaching (Secondary)² E763 C⁶ B² T1

The Master of Teaching is a teaching qualification in early childhood, primary or secondary teaching, and gives you the option of a dual qualification in early childhood and primary or in primary and secondary.

These courses offer extensive hands-on experience, preparing you for an in-demand career in education. Students undertaking the single strand courses in early childhood, primary or secondary, have the option of taking an additional four units in a specialisation pathway or internship.

Professional recognition

The Master of Teaching suite of courses are professionally recognised courses and have been accredited and endorsed by the Victorian Institute of Teaching (VIT) and the Australian Children's Education and Care Quality Authority (ACECQA) since 2011.⁷ Graduates who intend to apply for registration in Victoria or interstate may be required to provide further information. Applicants are advised to check the registration requirements in their state or territory.

Professional experience⁵

Professional teaching experiences throughout your course ensure you have the practical experience you need to launch into your teaching career. Professional experience placements are undertaken in approved schools and early childhood settings (where appropriate) within Australia.

Careers

There is a strong demand for qualified teachers and graduate starting salaries are high compared to the graduate average. The increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities. As a graduate of this course, you may find employment as a teacher within the private, independent or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

Course structure⁸

16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

¹ This course is not available to international students.

² Students are required to complete two 0-credit-point units as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) in order to graduate from their course.

³ Students are required to attend compulsory intensives at the Geelong Waurn Ponds Campus.

⁴ The E737 course is two years full time (with the option to complete it in 18 months if taken over four consecutive trimesters), or part-time equivalent.

⁵ Successful applicants are required to hold a valid Working with Children Check (WWCC) prior to undertaking professional experience placements in education settings as part of this course.

⁶ Cloud (online) learning is not available to international students.

⁷ The Master of Teaching (course codes E761, E762, E763, E764, E765) is currently pending re-accreditation with Victorian Institute of Teaching (VIT). The Master of Teaching early childhood programs (course codes E761 and E764) are also pending accreditation with the Australian Children's Education and Care Quality Authority (ACECQA).

⁸ Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/casper.

- The 2021 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for domestic students enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change. The fees displayed do not reflect the entire cost of the course if it's completed over a number of years and does not include the Student Services and Amenities Fee or course-related equipment costs.
- This course is not available to international students.
- Successful applicants are required to hold a valid Working with Children Check (WWCC) prior to undertaking professional experience placements in education settings, as part of this course.
- Recent secondary education applicants include current Year 12 students in 2021, as well as Year 12 graduates from 2020 and 2019.
- There are four categories under which non-Year 12 applicants may apply to Deakin:
 - applicants with higher education study
 - applicants with Vocational Education and Training (VET) study
 - applicants with work and life experience
 - applicants who completed Year 12 in 2018 or earlier.
Visit deakin.edu.au/courses and head to the course of interest to find out further details on admission requirements.
- International student entry requirements can be found at deakin.edu.au/international-students.
- Cloud (online) students are required to attend compulsory intensives.
- International students can only enrol at the Melbourne Burwood Campus.
- This course is also available at the National Indigenous Knowledges, Education, Research and Innovation (NIKERI) Institute. Find out more at deakin.edu.au/nikeri.

- Students are also required to complete two 0-credit-point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
 - Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/casper.
 - Not all majors and secondary teaching specialist areas are available via Cloud (online).
 - Cloud (online) is not available to international students.
 - Trimester 3 of year 3 is a compulsory study period.
 - Cloud (online) students are required to attend compulsory intensives at the Geelong Warrnambool Campus.
 - Full-fee paying place.
 - The E737 course is two years full time (with the option to complete in 18 months if taken over four consecutive trimesters), or part-time equivalent.
 - 2021 indicative Commonwealth Supported Place (CSP) fee.
 - For further information on assessment of secondary methods see vit.vic.edu.au/registering-as-a-teacher/teaching-programs/self-assessment-for-secondary-teaching-methods.
- NP means not published – less than five offers made to recent secondary education applicants.

Education students at Deakin are immersed in the world of teaching from the start of their studies, learning how they can instill change in younger generations.

Australia's #1 university career service¹

From day one at Deakin, and well into the future after graduation, our award-winning career service – DeakinTALENT – will prepare you for the jobs of tomorrow. You'll have lifetime access to career coaching, industry networking opportunities and a comprehensive suite of digital resources that will help you become the most employable version of yourself.

deakintalent.deakin.edu.au

¹ Australian Graduate Recruitment Industry Awards 2017, 2018, 2019 winner for most popular career service in Australia.
