Planning in advance may assist you to make the most of your expo visit. Read through the tips below to plan your day.

- Check the site layout so you can find your way around the expo site
- Check the seminar program to decide which you wish to attend
- Check the expo website to find out times and locations of seminars and exhibits

Note:

- Longerengong are conducting tours of their facilities throughout the day
- There is a drop in centre for students wanting to know more about apprenticeships
- There is a Jobs Market with a list of current available positions
